JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 4 November 1975

25X1A

1. [REDACTED] LIAISON Received a call from Dick White, Administrative Assistant to Representative Dale Milford (D., Texas), who said that the best possible time for the Representative to meet with General Vernon A. Walters (DDCI) would be at breakfast on the morning of 6 November. Transportation will be arranged for the Representative to be picked up at the Southeast entrance to the Cannon Building, 1st and C Streets, S.E., at 0730 hours. General Walters' office has been advised. [REDACTED] Chief, Review Staff, will also attend.

2. [REDACTED] LIAISON John T. Ticer, Senate Armed Services Committee, called and said that Ed Braswell, Chief Counsel and Staff Director, of the above Committee, would like us to make available for Don Lynch, staff member, of the above Committee, our World Wrapup Presentation for fiscal year 1976. He said they had transcripts for the 1974 and 1975 briefings but there was no transcript for 1976. Ticer thought we might have a memorandum or other background material that could be useful to Lynch. I told him I would check and be back in touch with him.

3. [REDACTED] LIAISON Called Pat Holt, Chief of Staff, Senate Foreign Relations Committee, to tell him that in view of the announcement of the Director's dismissal, it was quite possible that Mr. Colby would not be available for the Committee briefing scheduled for this Thursday on Africa. Holt indicated that they did not necessarily need the Director under the circumstances and they would be willing to accept some other qualified witness. I told Holt I would check on this and get back in touch with him. Later in the day, after checking with the Director and Mr. Nelson, DDO, I advised Holt that the Director would not be available for the Thursday session, that General Walters, DDCI, would be out of the city and that the best substitute witness, Bill Nelson, is tied up in hearings with the House and Senate Select Committees for the balance of the week. I asked Holt for the Committee's indulgence in rescheduling our hearing at a later date at which time Mr. Nelson would be glad to appear. Holt said he thought he would have to go ahead with the session of Joseph Sisco, Department of State, this week and since Nelson would not be available next week, they would have to wait until after the Thanksgiving recess for Nelson's briefing. (Nelson and Mr. [REDACTED] were informed.)
